Facilities created for students at the Registrar's Office

Description:

The Sustainability Commission was established by the Rector's Order No. 1/67 dated back 01.03.2025 of the university with the mission of promoting and implementing sustainable practices across our campus. The Commission plays a key role in driving initiatives aimed at enhancing the social and environmental well-being of both the university community and the broader society.

Main Duties:

- **Labor Protection:**

The Commission ensures that all campus operations comply with safe labor practices, thereby fostering a healthy and secure work environment for both staff and students. This includes establishing safety standards and conducting regular inspections to ensure workplace safety.

- **Opportunities for Women and Girls:**

The Commission is dedicated to advancing gender equality by actively creating opportunities for women and girls. This includes support programs, mentorship initiatives, and efforts to promote female participation and leadership within the university and related sectors.

- **Reforestation and Greenery Initiatives:**

In alignment with our environmental sustainability goals, the Commission organizes and supports reforestation efforts and initiatives aimed at increasing greenery across the campus and surrounding areas.

- **Organization of Cultural Events:**

The Commission collaborates with the Department for Spiritual Enlightenment and Youth Affairs to organize cultural events that foster community engagement and environmental awareness.

Registrar's Office:

An additional office established in coordination with the Sustainability Commission is the Registrar's Office. This office plays a vital role in supporting the operations of the Sustainability Commission by serving as the primary point of contact for students, faculty, and staff who wish to submit suggestions or requests related to sustainability initiatives.

Main Duties:

- **Receiving Suggestions and Requests:**

The office collects proposals, suggestions, and feedback from members of the university community regarding sustainability efforts, ensuring all submissions are properly recorded and addressed.

- **Directing Inquiries:**

Upon receiving submissions, the office forwards them to the appropriate members of the Sustainability Commission or other relevant departments for review and action.

- **Facilitating Communication:**

The office ensures timely responses and provides updates on the status of submitted suggestions, thereby maintaining clear and effective communication between the Commission and the university community.

Sustainability initiatives at **Navoi State University of Mining and Technologies** are coordinated through the **University Sustainability Commission** and the **Registrar's Office**.

The University Sustainability Commission serves as the university's permanent sustainability governance body on a voluntary basis and consists of **39 members**, including the university rector, vice-rectors, deans, deputy deans and heads of educational departments.

In addition, the **Registrar's Office**, which is responsible for the coordination and implementation of sustainability-related activities across the university, has **15 dedicated staff members**.

Total number of dedicated staff members assigned to the unit or office responsible for coordinating sustainability initiatives on campus: **54 people.**
